

Scholarship & Criteria

The BISHOP CARDELL SUTTON & DR. CAROLYN

SUTTON FOUNDER'S scholarship has been established to enhance the parishioners of the New Life Non-Denominational Church. This scholarship is to enhance the legacy of the establishmentarians.

The board of advisors along with the board of directors will consider GPA, financial needs, community activities and achievements.

All interested students must submit an application along with a letter expressing why they should be a recipient of this scholarship. The maximum award amount for 2024 scholarship is \$500.00. The award amount and number of candidates receiving the scholarship is determined annually, thus providing more flexibility regarding the number of scholarship donations contributed each year. Depending upon the perpetuity of funds the advisory board will determine in the near future to make the scholarship available to the community.

Annual scholarships are a one-time gift however, they may be replenished each year through and by continuous donations.
